Z8L

# LIMITLESS CONNECTIVITY

---

Thanks to its 4G LTE network,  
stay connected quickly and  
efficiently wherever you are.

# Z8L

## DESIGN THAT IMPRESSES

Compact, foldable, and easy to carry. Its modern design and vibrant colors make the Z8L a functional phone full of personality.

# Z8L

# RETRO IS BACK IN **STYLE**

---

With its external screen, you can check the time, calls, and notifications without opening the device. Its dual-screen setup perfectly combines classic style with modern functionality in a single device.

**LOGIC**  
makes sense

Z8L

# TOTAL CONTROL AT A SINGLE TOUCH

Large keys and shortcut buttons for greater comfort: Access the camera, vibration mode, and LED flashlight easily. It also features exclusive colored keys for answering and ending calls, plus **M1** and **M2** buttons to instantly connect to your favorite contacts.

# CAMERA + FLASH

---

Capture your memories  
anywhere. Take it with you  
and stay always connected!

Z8L

# INSTANT CHARGING AND DATA TRANSFER

---

Equipped with a USB Type-C port for faster and more efficient data transfer, along with quicker and more stable charging.
